

Business Development Officer, Ghana

YEFL-GHANA

YEFL-Ghana is a youth focused organisation that empowers youth economically, politically and socially. We intend to fit a business development mode/model into our programming by way of establishing social enterprises as a wing of YEFL-Ghana. This is a whole new area for us as

an organization and we look forward to get support to first of all support us to identify the possibilities based on our structure and context, then develop a strategy that will guide our implementation in the near future.

Tasks

- First of all, need to understand YEFL-Ghana as an organisation and our vision
- Tease out the possibilities of running social enterprise as an organization
- Develop a strategy for the proposed model
- Explore possible linkages to other networks and organisations we could learn from or work with to advance our social enterprises
- Can arrange meetings with relevant persons for virtual discussions/workshops

Skills and/or experience required

- The person should have experience in business development with expertise or knowledge on social enterprises
- Should have skills in strategy development and can provide online sessions with the Ghana Team
- Can read and write in English

Working conditions

5 to 6 hours per week.

Learning opportunities

- Opportunity to work with a young and energetic dynamic team from Ghana.
- Opportunity to learn and share youth development perspectives.
